

October 1, 2015

Dear Valued Customer,

Jim McTernan and Gary Eliasson announce the acquisition of Axis, Inc. by Jerry DiCunzolo, President and CEO of Power-Flo Technologies Group (PFT). Jerry has been at the helm of PFT for over 30 years and Axis is excited to move into this family of industrial companies. PFT is a diverse group of distributors, fabricators, manufacturers and motor and pump repair firms serving the New York metropolitan and New England areas.

Power-Flow Technologies Group, Inc: www.powerflo technologies.com

Dittman & Greer	United Electric Power
Long Island Electrical	Aetna Electric
Electric Switchboard Solutions	US Energy Group
Klausner Plumbing Supply	Power-Flo Pumps and Systems
Power-Flo Control	

Going forward, all the Axis personnel who have been providing excellence in engineering, application assistance and customer service will remain in place at the current location. The Axis linecard of quality brands will be strengthened by this acquisition through access to an expanded range of industrial products, services and custom manufactured solutions.

We look forward to talking with you in the near future to discuss your individual needs.

Best Regards,
